# APICON 2019

7 - 10 February 2019 | Lulu Bolgatty International Convention Center

Dear colleagues,

As you are all aware, Kerala was the victim of nature's fury recently. Unprecedented rains, floods and landslides threw the entire state into disarray and devastation.

But Malayalees by nature are resilient and enterprising and within a short span of 1 month, the life in Kerala has sprung back to normalcy. We are busy rebuilding whatever has been destroyed. All the tourist destinations are open and there was a huge influx of tourists to Munnar to witness the blooming of "Neelakurinji".

In Kochi, preparations are going on in full swing for the big event in February 2019. Our morale has been further boosted by the visit of the Central Team who was very appreciative of the venue, "Lulu – Bolgatty International Convention Centre" and our hospitality.

We invite all of you to honour us with your participation and make the prestigious conference a grand success.
